*Legendary Golf. Extraordinary Cause.*

Partners for Cancer Care and Prevention has created the Abdominal Cancers Alliance, a patient-focused network for awareness and connections to resources available for abdominal cancer patients and caregivers with a goal of spreading the word about the lifesaving (CRS/HIPEC) treatment. With your help we can continue to save lives and improve the quality of life for so many that are otherwise being misdiagnosed.

*"No one should have to figure out their path to treatment on their own and no one should ever feel alone on this journey. I was one of the lucky ones that found the right people and path. With your support we can help others facing these cancers find the right people and the right path, and not leave it up to luck." – Bo Plantz, Executive Director*
